

## Earn Your Degree Online with Wentworth + NASCTF

North Atlantic States  
**CARPENTERS TRAINING FUND**

Wentworth Institute of Technology (WIT) is proud to partner with the North Atlantic States Carpenters Training Fund (NASCTF) to offer a flexible, affordable pathway from apprenticeship to college degree.

Through this partnership, eligible carpentry apprentices, including those in commercial and residential carpentry, floorcovering, pile driving, and mill cabinet programs will earn transfer credits toward a **Bachelor of Science in Project Management**.

With transferable college credits from your apprenticeship, prior college, military, or additional work experience, plus the flexibility of our new 100% online format designed to fit your busy lifestyle, achieving your degree is more attainable than ever.

### Why Wentworth?

Wentworth Institute of Technology is a nationally recognized leader in STEM, Design, and Management. Through our unique industry-aligned degrees, we've helped skilled tradespeople advance their careers for over a century. Our hands-on, project-based learning equips you with practical skills and leadership abilities to thrive in today's economy. Wentworth is the university of opportunity for those ready to take their careers to the next level.

## About Online Learning

Online learning at Wentworth provides a flexible and accessible educational experience, allowing students to engage with coursework, faculty, and peers from anywhere in the world. This model leverages a digital platform to deliver high-quality, faculty-led opportunities, supporting those who need to balance their studies with professional or personal commitments.

## About Asynchronous Learning

Asynchronous learning at Wentworth offers added flexibility by allowing students to access course materials, lectures, and assignments at any time that fits their schedule. Without the need for real-time interaction, this format empowers students to manage their education on their own terms while still benefiting from the institute's rigorous academic standards and support.

## Your Experience Matters!

At Wentworth, we recognize the value of your experience. You can save time and money by transferring credits from prior college coursework, military service, approved apprenticeship programs, and relevant work experience. Applying these credits to your Wentworth education could shorten your path to graduation and help you save up to \$40K.\* Begin your application today to explore how your background and experience can accelerate your academic journey.

*\*Bachelor of Science with 50% of required credits transferred, Fall 2025 rates.*
